EDUCATION

MBA (HR)

AMC Engineering College
2008 – 2010

BE (IT)

Shrinathji Institute of Technology and Engineering
2004 – 2008

Atees

Data Science and AI
2024 – 2025

EXPERTISE

- Python Programming
- Machine Learning
- NLP
- TensorFlow
- Data Visualization
- Resource Management
- Communication
- Data Analysis
- Team Collaboration
- Time Management

CAREER OBJECTIVE

Dedicated and enthusiastic professional seeking a challenging role as a Python Data Science Trainer cum Developer. Skilled in Python programming, machine learning and natural language processing (NLP) with hands-on experience in libraries such as NumPy, Pandas, scikit-learn and TensorFlow.

Passionate about staying updated with the latest advancements in data science to deliver impactful training and project support.

WORK EXPERIENCE

VHSE Pudukad (under SSK)

AI Trainer (Part Time) 06/2025–Current

- **Conducted instructor-led training sessions** for the AI & ML – Jr. Telecom Data Analyst program.
- **Designed and delivered interactive learning materials** including presentations, Python notebooks, coding exercises, and assessments.
- **Mentored and supported** 24 students from diverse educational backgrounds with hands-on guidance.
- **Facilitated real-world case studies and practical activities** to enhance applied learning and industry relevance.
- **Reviewed and evaluated student projects and presentations**, ensuring quality and alignment with industry practices.

Atees Industrial Training Private Limited

Data Science Intern 11/2024–Current

- **Applied Python programming and libraries** to implement data analysis and machine learning tasks.
- **Developed data visualizations** to present complex datasets in clear, comprehensive formats.
- **Performed data analysis using supervised and unsupervised learning** to identify patterns and trends.
- **Improved data quality** through effective data cleansing and preprocessing of large datasets.

Aptara Learning Pvt Ltd

Project Coordinator 05/2011 – 03/2015

- **Project Planning & Management** – Developed comprehensive project plans, defined scopes, timelines, deliverables, and milestones while managing budgets and resources effectively.
- **Monitoring & Performance Tracking** – Tracked project progress, hours, expenses, and team performance to ensure on-time delivery within budget and quality standards.
- **Documentation & Compliance** – Maintained accurate records and documentation, supporting efficient audits and providing reliable reference for future projects.
